**CART KILLERS**  
 They may not look like the golf cart's biggest enemy, but they could be. Lace up a pair of the new Callaway HX Tours (\$270) and you may never ride again. Made from the best European "calfskin" leathers and waterproof technology, these kicks from the company's Spring 2006 Collection offer the ultimate in comfort and performance.

**SPIRIT FOR THE AGES**  
 Talk about a spirit for the ages. From one of the oldest distilleries in Scotland comes one old-fashioned whisky, the Glen Garioch 1958 (\$2,600). The ultra-rare single malt (only 43 bottles will be available in the U.S.) also features an ultra-rare blend: a mix of Scotch nose and a peaches and cream palate. Sweet.
