**Bentley Continental GT**

Last year we test drove the Continental GT, this year we can't live without it. It's all the elegance of Bentley with the raging aggressive gas pedal that you'd expect from an exotic car. It's the car of our dreams and it should be yours too.

**Naked & Angry Ties**

Anyone can visit the Naked & Angry website and submit a design for a fabric pattern to be voted on by other Naked & Angry users. The design will be scored for 7 days at which time it will be given a final score. The highest scoring designs will be manufactured. All Naked & Angry ties are hand constructed using 100% silk. The ties are created using a weaving process where differing pre-dyed yarns are woven together to produce the design as part of the fabric.
